INTER-TRIBAL EMERGENCY MANAGEMENT COALITION

ITEMC was formed in December 2004 as learning and networking resource for Tribal emergency management professionals. Because of the checker-board layout of our Tribal lands, the need for networking, enhancing and strengthening our working relationships with Federal, State, County, and City soon became paramount. The first Summit was held in June 2008 with about 180 attendees and has grown each year. The Summits are designed to help those involved in Emergency Management to understand and overcome misconceptions about jurisdictional boundaries, organization, tribal resources, and receiving federal assistance. It has evolved into an excellent opportunity for Tribal, State, and local officials to network with other agencies and organizations.

GUEST ROOM RESERVATION PROCEDURE

Call the WinStar World Casino & Resort hotel reservations office at (844) 946-4768. Refer to block code ITEMC18. Rooms are being offered at a rate of \$93.00/night. No later than Monday, May 15, 2018. After this date, the hotel will release the block and requests for reservations will then be accepted on a space and rate available basis only. All reservations must be guaranteed with a major credit card. If no form of deposit or guarantee acceptable to the hotel accompanies the reservation, it may be cancelled without notice. No-shows will be charged the first night's room charges.

Room rates are quoted exclusive of applicable state & local taxes, applicable service charges or specific hotel fees in effect at the Convention Center at the time of the meeting. There is a \$10 per night resort fee and 12% tax per room. The hotel requires a \$30 incidental hold on a credit card for each room. If nothing is charged to the room the hold is released upon check-out.

We are pleased to present a variety of resources from Tribal governments, State and Federal agencies and the private sector...all in one conference to help identify ways in which all of us can work together to provide better preparedness, response, recovery and mitigation efforts in emergency and disaster situations.

If you would like to participate, please go to www.itemc.org and choose your level of sponsorship and submit your payment along with your registration form on or before May 11, 2018.
