

Colleagues,

In the wake of recent financially crippling catastrophic disasters like Superstorm Sandy and Hurricane Irene, pre-incident financial sustainability planning to help reduce the overall financial impact to hospitals and other healthcare organizations post disaster are at the forefront of healthcare disaster recovery concerns.

Please join us on **Thursday, August 21, 2014 from 2:00 PM – 3:30 PM EDT** for a dynamic and informative discussion on the essential elements necessary to ensure your healthcare system is prepared to mitigate the financial burden associated with post-recovery operations.

Answers to these hot topic questions will be presented on this FREE and informative webinar:

- What conditions are necessary for the Secretary to waive or modify certain **Medicare, Medicaid, CHIP, and HIPAA requirements** under **Section 1135** of the Social Security Act?
- Does my Acute Care **Hospital** qualify for **FEMA Reimbursement**?
- How can I **recoup costs** related to providing **medical care and medical evacuation** for patients my hospital treats during a disaster?
- Is my healthcare organization eligible to receive low-cost **Disaster Loans** from the **Small Business Administration**?
- How can I implement “Best Practices” from **Superstorm Sandy testimonies** into my organization’s disaster recovery planning efforts?

Who should be on this Call?

- Hospital Board Members
- Hospital & Healthcare System C-Suite Leadership
- Healthcare System Risk Managers & Compliance Managers
