

Western Shelter Training

A Western Shelter Training will be held on 09.19.14. Please see below for details. I hope to see you there. Even if you are not able to join us for the training, please drop by the Ottawa Peoria Building throughout the morning to see the shelter as it "unfolds". This shelter is designed for All Hazards Emergencies. A shelter similar to this was used following the Joplin tornado as a hospital for St. John's/Mercy.

For those in law enforcement, 3 hours CLEET credit will be given as well.

Do not hesitate to contact me, if you have any questions. I look forward to seeing you soon. Refreshments will be provided. Also, feel free to pass this along to others that may have an interest.

The Western Shelter Training will be held on Friday, September 19, 2014 from 8:00 am - 12:00 pm at the Ottawa - Peoria Cultural Building located at 114 S Eight Tribes Trail, Miami, OK 74354 (just North of the Will Rogers Turnpike Gate (exit 313) on Highway 69A).
